

# WEEK 2

DISTANCE LEARNING

INDEPENDENT STUDY

Independent study students are enrolled in different classes at different levels of completion, so the paper packets provided contain classes needed to fulfill grade-level requirements. For those of you accessing assignments on the Willow School website or using paper packets, for Week 2 you are required to complete a total of 5 weekly assignments. You may do all five assignments to complete one class, or you may choose to complete a combined total of 5 assignments from two different classes. If you are working on Cyber High or Edgenuity classes, you need to complete 2 units per week, unless otherwise instructed by your teacher.
